

COURSE OUTLINE – (FT04-01) PORTAL CONCEPTS

Overview

Attendees will be taken through the Portal Infrastructure. We will be discussing the jsp widget model in relation to the page and widget jsps, their java classes and the java bean contained within.

Objectives

To give the attendee a high level view of the Fineos Portal Infrastructure.

Who should attend?

Java developers involved in the technical development of the FINEOS Solution

Pre-requisites

Attendees should have a working understanding of java and HTML.

Formats & Duration

Training Format	Description	Maximum number of attendees	Duration
Classroom	An instructor-led session combining a blended learning approach of theory and knowledge checks	6	One Half Day
