

COURSE OUTLINE – (FT05-02) WORK PERFORMERS

Overview

Attendees will be taken through the configuration and set up of work performer and their association with task etc. We will then develop a work performer and configure it to pick up some tasks.

Objectives

To give the attendee an idea of how to develop a work performer.

Who should attend?

Java developers involved in the technical development of the FINEOS Solution

Pre-requisites

Attendees should have a working understanding of java.

Formats & Duration

Training Format	Description	Maximum number of attendees	Duration
Classroom	An instructor-led session combining a blended learning approach of theory, hands on exercises and knowledge checks	6	One Half Day
