

COURSE OUTLINE – (FTB-P-009)

FINEOS INTERMEDIATE CONFIGURATION – SINGLE DUE PAYMENTS

Overview

The ***FINEOS Intermediate Configuration - Single Due Payments*** course explains the main concepts behind the configuration and set up of payments on the FINEOS system. The course includes exercises to show how to configure single due payments.

Objectives

To provide attendees with an understanding of the configuration functionality within the FINEOS application in relation to payments. It builds on the configuration basics as provided in the FINEOS Intermediate Configuration - Front Office course.

At the end of this course participants should know how to configure the following:

- Single due payments

Who should attend?

Anyone involved in the configuration of the FINEOS payments component:

- Software Engineers
- Test Engineers
- Business Analysts
- Business and Technical Consultants

Pre-requisites
